Section 1. It Starts!

This is the first sentence. This is the second sentence. We don't care yet if multiple   spaces will be removed in this one. This is another sentence.

The second paragraph starts here. Hello world! Hello world! Lorem ipsum lorem lorem!

Section 2. It Continues!

I have no idea if it is really able to detect the sections in plain text extracted from PDF. But lets check!

Lets have the 2nd paragraph here too.
